CANNAS and SALVIA

CANNAS

The President

By a sweeping majority, this Canna won the honor of being named "The President," for it is so surpassingly fine that no other red Canna could be a competitor. In color, it is a rich, glowing scarlet, and the immense, firm, rounded flowers 7 inches across when open, are produced on strong erect stalks well above the large, rich green foliage. The President is superior to any other red variety in the quantity and also quality of bloom and the firm flowers are able to resist drouth and heat to a remarkable degree. "This is one of the most marvelous Cannas ever produced."

Price, 15 cents; \$1.50 per dozen.

King Humbert. (Both Bronze and Orchid Flowered). The grandest Canna ever offered. Large, heart-shaped leaves of purple madder brown or bronze, the dark ribs sharply defined, crowned with immense heads of Orchid-like flowers. Individual petals are of the largest size; velvety orange-scarlet flecked carmine; rose tinted at margin and base. 4 to 4½ feet.

Hungaria. A magnificent pink Canna widely used for large solid beds. The petals are large and waxy, made up into big round, full trusses. Its color forcibly suggests the well known Paul Neyron Rose, and is unquestionably one of the most popular pink Cannas ever produced. 3½ to 4 feet.

Wyoming. (Both Bronze and Orchid Flowered). A beautiful new variety, with rich purplish bronze foliage. Flowers are large as King Humbert, and of good substance; bright orange slightly rimmed and flaked with rose. 7 feet.

10c each; \$1.00 per dozen.

Carnations

CARNATIONS

Carnation plants should be re-potted whenever there is indication of their becoming pot-bound. Trans-planted into the garden after all danger of frost is over, and given at least 12 inches of space, with good soil and cultivation, these plants should furnish abundant bloom from July until late Fall or may be kept "pinched back" to retard bloom, potted up at approach of frost and brought inside for winter blooming.

Two inch pots 10c each; \$1.09 per dozen.

MATCHLESS — White. **ENCHANTRESS** — Shell pink and white. **NEBRASKA**—Scarlet. **C. W. WARD**—Dark pink. **BELLE WASHBURN**—Red.
